

Cochise County Sheriff's Office

Probable Cause Statement

Detective J. Davidson #1119

On April 06, 2018, your affiant responded to a report of a sex offense at the "Forgach House" located in Sierra Vista, AZ. There, your affiant met with Francisca Carrillo. You affiant conducted an interview on Francisca. During the interview, Francisca said she met Luis Siqueiros in Mexico and has been dating him for approximately 3 years. Francisca said Luis told her to come to the United States as he told her he would marry her. Francisca, moved to the United States a little over a year ago.

Francisca said after she moved in, Luis would watch her through his cameras which he has throughout the house. Francisca said she began paying more attention because Luis's sons, Jesus Siqueiros (17 YOA) and Lwyz Siqueiros (18 YOA), told her their dad likes men. Francisca said the problem here is that he touched my son. Francisca said Luis and her would not sleep together. Francisca said prior to going to sleep her son's, Yael Grajeda (7 YOA) and Enrique Grajeda (13 YOA) would say good night to Luis. Francisca explained on one of those nights as she was walking to the bathroom she looked at the camera system monitor. Francisca said she saw Luis had Enrique lying with him on the sofa which Luis sleeps on. Francisca said what caught her attention was that they were next to each other and the blankets were moving. Francisca said she went and yelled at Enrique to come. Francisca said Luis told her Enrique was going to sleep with him. Francisca said she told Luis "No" he is going to go sleep in his bedroom.

Francisca said she asked Enrique what was going on. Francisca said Enrique told her nothing. Francisca explained when Enrique got up from the couch he had an erect penis. Francisca said when trying to talk to Enrique she understood from him to look at the cameras. Francisca told Enrique she wanted him to tell her what occurred. Francisca said she asked Enrique if "he" was touching him and he replied "Yes". Francisca asked Enrique what he was touching, and he said his "part". Francisca said Enrique had his pants down and he, referring to Luis, was caressing his butt. I asked Francisca when this occurred, and she replied in January. Francisca said she told Enrique he knew that was wrong, and he replied, "it's because my dad gets mad".

Francisca said she confronted Luis about being gay at which point he became upset. Recently, Francisca and her sons were kicked out of the residence. Francisca and her sons are currently residing at an undisclosed location in Cochise County.

On April 9, 2018, fellow officer Detective Juan Hoke and Your Affiant made contact with Lwyz Siqueiros (18 YOA) at the Western Motel, located in Sierra Vista, AZ. During an interview with Lwyz said his mom, Francisca, caught "him", Luis, touching him, referring to Enrique and said it was on camera. Lwyz said when they were younger their dad would hit them. Lwyz said because of that Jesus, his brother, fears his dad. Lwyz continued to

say everything should be on camera. Lwyz said Jesus told him his dad had said to him to bring his friends over. Luis would get them drunk and sit them on his lap.

Lwyz said his dad would take Enrique to the store and not offer to take anybody else. Lwyz was asked if his dad has every touched him. Lwyz said when he was younger, but he didn't know if he was playing around. I asked Lwyz what his dad would do. Lwyz said he would grab his "ass" and his genitals. Lwyz said after a while he told his dad to stop as he didn't like it. Lwyz said he has left the residence once before and doesn't consider him as his dad.

On April 11, 2018, forensic interviews were conducted on Enrique and Yael at the Children's Advocacy Center, in Tucson, AZ. Your affiant sat in the observation room while forensic interviewer Juan conducted the interview on Enrique.

Enrique said his dad has touched him more than one time. Enrique explained a time, when his mom went to Mexico and he stayed home with dad. Enrique said his dad made him sleep with him by threatening him.

(Note: Enrique refers to Luis Siqueiros as "Dad" although he is not his biological father and was mom's boyfriend.)

Enrique said his dad would touch him on the weekends advising this would take place in his mom's bedroom and his bedroom. Enrique said his dad would use his hand and touch him on the genitals.

Enrique explained a time, when he was in his mom's bedroom while nobody else was in there, his dad touched his genitals with his hand. Enrique said both had their clothes on but his dad touched him under his clothing. Enrique said when his dad was touching him he would move his hand. Enrique said he didn't like it and told him.

Enrique explained the first time his dad touched him he was 12 years old and he was in his mom's bedroom. Enrique said his dad touched his genitals with his hand.

Enrique said his dad touched him on the butt and demonstrated a squishing motion with his hand. Enrique said his pants were pulled down and this occurred sometime during the night in the living room area when he was 12 years old.

Enrique explained another time, when he was asleep in his bedroom and got woken up by his dad touching him. Enrique said it was the same as all the other times, but his dad had a beer can in his hand. Enrique said he told his dad to leave. Enrique was asked how his dad would touch him and he made a grip and began moving his hand up and down.

(Note) Enrique description of the above-mentioned incident describes Luis masturbating Enrique.

Enrique said he has lived at this residence since he was 11 years old. Enrique was asked how many times a week this occurred, and he said more than one time, explaining this happened on Fridays, Saturdays and Sundays.

Also interviewed was Enrique's younger brother Yael Grajeda, Yael was interviewed by Francisca Serrano. During the interview Yael disclosed that on one occasion when he was taking a bath Luis entered the bathroom and began to speak with him. Luis then told Yael to clean his penis correctly and suggested he would show him how to do it. Luis then reached down, pulled Yael's penis foreskin back and washed his penis.

Yael also disclosed that on a recent occasion he and his brother Enrique had been playing with water and while doing so had soaked their clothing. Upon seeing this Luis told the boys to remove their clothes and continue playing in the nude, Yael said he felt very uncomfortable about doing this and told Luis that he was afraid someone would see the video recording of them nude. Yael described how Luis constantly video recorded all activity in and around the residence and believed he and Enrique could later be seen on the recorded video, but Luis had told them not to worry because he would not show the video to anyone.

On 04/16/2018, a search warrant was preformed of Luis Siquieros Medina's residence 7766 E Larson Rd. in Hereford, AZ. Luis was detained and brought over to the Cochise County Sheriff's Office Detective Office in Sierra Vista, AZ. An interview was conducted on Luis.

During the interview, Luis admitted to Yael and Enrique running around naked in the back yard because they were wet. Luis said Francisca would send him pictures via "Whats App" of Yael and or Enrique's penis as they had problems with their foreskin and he was telling her who to treat the penis. Luis then denied all statements provided by the victims (Children) in this incident.
